3: February 2023

I can't believe we are at half term already. Time has just flown by!

We thoroughly enjoyed our NSPCC Number Day and I was absolutely delighted at the number of children who

brought in a coin of their own to donate. It was also lovely to see so many of you joining us in school to play Maths games with the children.

Our thanks go to Miss Singer for organising the day! Watch out for our Book Week letter coming home soon with details of our next exciting theme week!

UNWANTED GIFTS WANTED!

The FOCP are now seeking unwanted Gifts ready for future events! Hopefully you won't have the experience I had when my daughter bought back the item I donated so that I had a matching pair! 😊

Thank you to everyone who has sent back their values questionnaire! Please do keep them coming in!

Any old wood?

We are very lucky to have a highly talented caretaker in Mr Cooper. He is able to create for us some exciting things for the children, but

we need **donations of wood** for him to use for his creations! We welcome any MDF or other wood. Perhaps you have an old piece of furniture you have taken apart? Please do bring us any donations of wood.

WORLD THINKING DAY Feb. 22

Wednesday 22nd February is World Thinking Day/Founders Day! To help all of our Cubs, Brownies, Rainbows and Beavers to celebrate, we are allowing and encouraging children to wear their scouting uniforms to school on that day!
