

Task: Design and make a healthy 'dip'

Year 2

Context:

Context:
Pirate Pete's new dip is very
unhappy because they want a
new healthy dip.

Design Brief:

Design Brief:
End User: Pirate Pete
Purpose:
To keep the pirates happy
by by making them a
delicious dip. ✓

Specification:

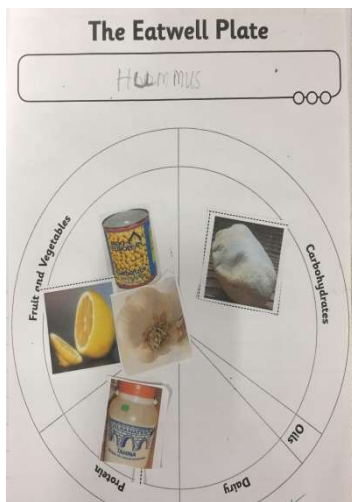

Specification
The dip must be made from a selection of fruit and vegetables to keep the pirates healthy. It must look appetising for the pirates to try. It needs a balance of ingredients, texture, smell and taste good.

Research:

Dip Evaluation Grid

Name of Dip	Appearance	Smell	Texture	Taste	Word Bank
Hummus	bright bright pale	Peas Veget	Smooth	Nice	Appearance colourful bright bumpy pale Smell strong oniony Texture garlicky spicy crunchy bitty creamy smooth
Guacamole	Green	Garlicky	Squiggly Creamy	Yummy	
Salsa	Red	Tomato	Soft	Delicious delicious	Taste minty spicy mild sweet
Sour Cream and Chive	Whitey green	Creasy	Soft	Yummy delicious	
Thousand Island	Pink Pink	Creasy Cream	Smooth	Yucky

Taste		x

What went well is with the dip is we all had a part do do the dip. What I would change the dip by adding less water because it didn't taste very nice.
